

# i-overdrive trio "tribute to Syd Barrett"

## JAZZ MAGAZINE

The most exact hymn gaved to a legend of rock music ... Amazing !

With Bruno Tocanne and Rémi Gaudillat, guitarist Philippe Gordiani works out a formula which confirms Barrett's connections of with Jazz. The result is striking. A jazz trio playing psychedelic, it is not that common.

## FRANCE INTER

Not to be missed !

One has to love these musicians. This real tribute is a "coup de coeur", not to be missed.

One has to be grateful to musicians when they manage to offer musics so different from the classical "soft syrup"  
... Long live to the i-overdrive trio !
